E22 Cable Comb Bumper Pack - Red

Product Images

Short Description

Bumper packs contain everything you need for total cable management in your PC.

Description

Bumper packs contain everything you need for total cable management in your PC.

Contents:

- 10x4 Slot
- 10x6 Slot
- 10x8 Slot
- 5x12 Slot
- 5x14 Slot
- 5x16 Slot
- 5x24 Slot

The E22 cable comb makes it easy for anyone to achieve professional results on even the most unruly cable runs. They have been designed to work perfectly with the Teleios brand of 4mm sleeving and have just the right amount of retention to hold the cable into the comb without tarnishing the sleeve.

ps... they also work great for that final photo shoot when you don't want messy cables ruining a great build =)
