Short Description

Unlike other LED fans with the LEDs mounted on the corners of the fan, Logisys "Stove fan" has the LEDs mounted on the fins of the fan. When the fan is turned on and spinning, it creates 3 rings of light rays on the fan which creates lighting effects like "stove" for your computer.

Logisys "Stove Fan" comes only in 80mm and retailed packaged with 4 screws.

Cable is fully covered in nylon Techflex sleeving and premium heatshrink, colors of your choice.
