

Bykski Rigid 10mm ID x 14mm OD Fitting w/ Addressable RGB (RBW) - Black (B-LTJT-X)

\$13.95

Product Images

Short Description

The Bykski Rigid 10mm ID x 14mm OD Fitting w/ Addressable RGB (RBW) is used for 10mm inner diameter x 14mm outside diameter rigid tubing. Due to the inner and outer seal the fitting only works on 10x14 tubing. Slight variances in tube ID and OD can cause fitting not to seal properly. This fitting allows you to connect tubing to G 1/4 thread fitting ports securely, and has an integrated addressable RGB LED.

Description

The Bykski Rigid 10mm ID x 14mm OD Fitting w/ Addressable RGB (RBW) is used for 10mm inner diameter x 14mm outside diameter rigid tubing. Due to the inner and outer seal the fitting only works on 10x14 tubing. Slight variances in tube ID and OD can cause fitting not to seal properly. Features

- G1/4 Thread

Specifications

Specifications

- Model: B-HTJV2-L14
- Brand: Bykski

- Color:Black
- Power:Support 3 PIN 5 Volts GND Pin Header Aura Synchronization

Compatibility

- Loop:Non-Aluminum
- Compatible Tube:10mm inner diameter x 14mm outside diameter rigid tubing (PETG/Acrylic)

Parts Included

- 1x Bykski Rigid 10mm ID x 14mm OD Fitting w/ Addressable RGB (RBW)

Additional Information

Brand	Bykski
SKU	B-LTJT-X-BK
Weight	0.2000
Special Order	No
Fitting Type	Rigid Compression
Fitting Finish	Matte Black
