Cable Clamp - Large

$1.59

Product Images

Short Description

Product Details:

This strong and easy-to-use cable management device is superior to tape, cable ties, and hook & loop products. Tape can leave a sticky mess, most cable ties can only be used once and hook and loop products can lose their grip when applied repeatedly. The CableClamp is clean, indefinitely reusable and built to last. Constructed with durable polymers and stainless steel, it can be opened and closed again and again, with just one hand. CableClamps accommodate a wide array of applications, from standard desktop computer wiring to bundling extension cords as long as 100.

Features:

- Lock and unlock time and time again
- Easily opened and closed with one hand
- Small size holds up to approx. 1" of bundled cables

- Medium size holds up to approx. 2" of bundled cables
- Large size holds up to approx. 3" of bundled cables
