Atech Multimedia Keyboard with 10-in-1 Portable Card Reader

$39.95

Product Images

Short Description

Product Details:

Internet Keyboard with Integrated Media Reader
The Atech KB-reader features 14 Internet / Media hot keys as well as a modern sleek design and layout. The keyboard doubles as a mini-USB docking station for PRO-Gear. Three card slots allow you to access 3 different media cards and direct file transfer between slots. Ten flash media formats are supported such as Compact Flash™ Type I, Type II, Microdrive™, MultiMedia™, Secure Digital™, Smart Media™, Memory Stick™, Memory Stick PRO™, Memory Stick MagicGate™, xD-Picture Card™.

 Portble USB Card Reader
The Atech flash media reader can be used as a stand alone portable unit with the included USB cable. This is an ideal solution for computer users who also own notebook PCs.

 Itegrated Media Reader Dock
The KB-reader allows users to dock the media reader without the clutter of cables. The integrated media reader runs off of a USB connection which would already be connected to the PC upon installation. Simply plug and play.

Specifications

Keyboard Type	Internet Multimedia
