

Cooler Master MasterBox Pro 5 RGB

\$94.99

Product Images

Short Description

The Master Box Pro 5 RGB's straightforward design comes with three 120mm RGB fans installed behind the dark mirror front panel and a 4mm thick edge to edge tempered glass side panel which give the case a unique outlook and various options to show off your build inside. The interior offers conveniently placed cut-

outs, making component installation, interior expansion, and multiple interior layouts simple and easy. It can also support large, high-end components, several fans and DIY liquid cooling. Keep your system looking clean with numerous routing holes and a cover for your PSU.

Features

You Decide the Inside

The MasterBox Pro 5 RGB's straightforward design comes with three 120mm RGB fans installed behind the DarkMirror front panel and a 4mm thick edge to edge tempered glass side panel which give the case an unique outlook and various options to show off your build inside.

- Three 120mm Front RGB Fans
- Expansion Support
- Tempered Side Glass panel
- Dark Mirror Front Panel
- Flexible SSD Mounting
- Clean Cabling

RGB FANS*

Three 120mm RGB fans are pre-installed behind the front panel to create an amazing lighting effect.

* Additional controller or compatible motherboard required for RGB functionality

4MM THICK EDGE TO EDGE TEMPERED GLASS SIDE PANEL

Show off your perfect build and powerful components through the 4mm thick, edge to edge, tempered glass side panel!

EXPANDING THE POSSIBILITIES

Motherboard tray cutouts creatively rearrange space to fit high-end motherboards, extra-long dual-slot graphics cards and reservoir mounting for DIY cooling.

Technical Information

- Motherboard Supported: ATX
- Motherboard Supported: EATX
- Motherboard Supported: Micro ATX
- Motherboard Supported: Mini ITX
- Number of Fans Installed: 3
- Installed Fan Size: 4.72"

Bays

- Number of Internal 3.5" Bays: 2
- Number of Internal 2.5" Bays: 2
- Number of Total Expansion Bays: 4

I/O Expansions

- Number of Total Expansion Slots: 7

Interfaces/Ports

- Total Number of USB Ports: 2
- Total Number of Audio In Ports: 1
- Total Number of Audio Out Ports: 1

Power Description

- Power Supply Installed: No
- Number of Power Supplies Supported: 1
- Number of Power Supplies Installed: 0

Physical Characteristics

- Color: Black
- Material: Mesh
- Material: Steel
- Material: Plastic
- Material: Tempered Glass
- Form Factor: Mid-tower
- Height: 18.7"
- Width: 8.8"
- Depth: 19.7"
- Weight (Approximate): 22.93 lb

Additional Information

Brand	Cooler Master
SKU	MCY-B5P2-KWGN-01
Weight	46.0000
Color	Black
Chassis Form Factor	Mid-Tower
Side Panel	Window
Material	Steel
PSU Wattage	No PSU
Vendor SKU/EAN	884102036613
