Description

Bitspower Lotan VGA water block for GALAX Geforce RTX 2080 HOF

Bitspower dedication to keep things cool is now available with the Lotan VGA water block for GALAX Geforce RTX 2080 HOF graphics cards. With a unique look and design, the Lotan will keep your graphics card performing at maximum power while making sure it doesn't overheat.

Covering the full length of the card, the water block is layered with a nickel and chromium plated copper base plate that is meticulously carved to allocate the most contact over the GPU and VRM area. The inner layer, molded with engineered materials that can sustain extreme temperatures, is covered by an acrylic top layer equipped with a special Digital RGB LED strip that is sure to make your system looks amazing.
