\$13.50

Product Images

Short Description

With the Alphacool Eiszapfen you connect your hardtubes at the perfect 90° angle. The hardtube is tightly screwed to the union nut, seals immediately and can be easily loosened with one hand.

Description

With the Alphacool Eiszapfen you connect your hardtubes at the perfect 90° angle. The hardtube is tightly screwed to the union nut, seals immediately and can be easily loosened with one hand.

The fitting can be rotated freely (360°) thanks to the 90° angle. The possibilities are almost limitless.
