Short Description

Barrow GPU Waterblocks are made with the purest copper and is nickel plated to give it that mirrored finish.

Description

Barrowch GPU Waterblocks are made with the purest copper and is nickel plated to give it that mirrored finish.

Features

CNC Process

Aluminum alloy panel of water cooling blocks are processed integrally by CNC aluminum alloy, enhance texture.

Anodic Oxidation

By anode oxidation, It can use a long time and keep the gorgeous color.

Digital Display Terminal Connector Module

Carry temperature monitoring module with digital display, it is more convenient to observe temperature.
