

Large LED Acrylic Case Feet - Green

\$19.95

Product Images

Short Description

This is one of the best new Mods out there and it is such a reasonable price. Replace those dull black swing out case feet with these bright LED light-up case feet! Set of 4 foldout feet that will fit the X-Superalien, X-Alien, Thermaltake, Chieftec, Antec, TurboCase or other cases that have similar foldout feet. The LEDs are embedded into each of the case feet and it comes complete with wires, adapters, and easy instructions. You'll be amazed at how awesome this new Mod is when seen in a dark room!

Description

Product is no longer available. Alternative color footstep is used and LED color is manually changed here and re soldered.

This is one of the best new Mods out there and it is such a reasonable price. Replace those dull black swing out case feet with these bright LED light-up case feet!
