Short Description

Once you realise how versatile the Alphacool Eistool Modding Cutters can be, you will be using them for many applications and even the best tinkerers and modders can have an accident. Alphacool now offers replacement blades for your tools if yours are no longer as sharp as they once were.

Description

Once you realise how versatile the Alphacool Eistool Modding Cutters can be, you will be using them for many applications and even the best tinkerers and modders can have an accident. Alphacool now offers replacement blades for your tools if yours are no longer as sharp as they once were.

Replacing the blades is easy: Loosen the nut and bold, the old blade can be removed and a new one inserted. It doesn't get much more simple as that!
