## Description

---

Bitspower Mono Block for MSI X299M GAMING PRO CARBON AC

The important components of your motherboards deserve to receive the best heat management possible, which is why Bitspower expertly designed the MSI X299M GAMING PRO CARBON AC Mono Block to simultaneously cool the CPU and VRMs.

Made of clear acrylic, the top layer of the mono block offers not only an efficient water channel design, but also a unique look to complement your PC style, while the base layer is made of high quality copper and molded to tightly fit over the CPU and VRMs, offering the best heat transfer possible.
