NZXT HUE 2 Underglow (2 x 300mm Underglow)

$27.99

Product Images

Short Description

Add underglow to your build with ease

Easily add gorgeous underglow lighting to nearly any PC case using the HUE 2 Underglow accessory. You get everything you need* - from extension cables to a PCI pass-through bracket - for RGB underglow lighting and effects, all powered by CAM. Sync with the rest of your HUE 2 accessories for fully integrated lighting.

Description

Add underglow to your build with ease

Easily add gorgeous underglow lighting to nearly any PC case using the HUE 2 Underglow accessory. You get everything you need* - from extension cables to a PCI pass-through bracket - for RGB underglow lighting and effects, all powered by CAM. Sync with the rest of your HUE 2 accessories for fully integrated lighting.

Features

- Specially designed kit for case underglow RGB illumination
- Easy installation with included double sided foam tape
- Included PCI-e bracket for elegant cable routing
- Better visual impact with up to 15 LEDs per strip and with light guides optimizing RGB effects
- Seamless control using CAM's central dashboard for perfect synchronization of your build's illumination
- *The HUE 2 Underglow Accessory Kit does not include the HUE 2 Lighting Controller, which is sold separately.*
- *HUE 2 Accessories are not compatible with the HUE+*
