

Bitspower G1/4" Matt Black Quad Rotary 90- Degree G1/4" Extender (30X3)

\$19.99

Product Images

Short Description

These new G 1/4" Triple 90 degree angle adapters are perfect for tight spaces and change the direction of your water input or output without affecting flow. These have a lower restriction For 90 Degree Application. This fitting has a male G 1/4 port on one end and a male G 1/4 end on the other used as a variable extension! With 360 degree rotary fitting on one end you can secure the connection yet still twist the direction of the fitting to any angle you desire. No more kinked tubing! These are the bomb!
