Short Description

Product Details:

Case fans help protect your whole computer investment by providing case cooling to reduce component-killing heat buildup, thus increasing the longevity of components. Now you can balance necessary cooling with noise reduction. This fan features double ball bearings and a 3-Speed fan control to make this one of the Premium 80mm fans in the market!

Features:

- Double ball-bearing design lasts longer than conventional fans
- 3-speed switch lets you balance quiet performance with maximum cooling
- 3-pin and 4-pin power connectors provide convenient connections to your motherboard or power

supply

- Fan-speed monitoring capability included (requires compatible motherboard)

Specifications:

- Fan Size 80x80x25.4mm
- Rated Voltage 12 V
- Bearing Double Ball Bearings
- Air Flow 20 - 34 CFM
- Rated Speed 1500 - 2600 RPM
- Noise 18 - 30 dB(A)

Fan cable is 100% wrapped in nylon Techflex sleeving and premium heatshrink, colors of your choice.
