

DREMEL

# Dremel Use-1/2 x 1/2 inch Coarse 80 Grit Sanding Bands - Bulk

\$0.49

## Product Images

## Short Description

---

These 1/2 x 1/2 inch Coarse 80 Grit Premium Sanding Bands are perfect for computer modders needing to sand down metal, acrylic, plastic parts in their chassis. Use with 1/2 x 1/2 inch Sanding Mandrel, not included. For use with Dremel Type Rotary Tools. These are very comparable to Dremel 408 Sanding bands, but come from another Premium US Supplier. This is a "must have" for any serious modder!
