Watercool HEATKILLER® Tube - 120mm Adapter FLEX

Product Images

Short Description

Install your HEATKILLER[™] Tube reservoir flexibly in different ways and positions onto 120x120mm mounting holes, for example on fans or radiators. You can also mount a Tube 100 on a 120mm fan with this adapter! You can also position a HEATKILLER[™] Tube reservoir more flexibly on a radiator if you only have certain mounting positions accessible.

Description

Install your HEATKILLER[™] Tube reservoir flexibly in different ways and positions onto 120x120mm mounting holes, for example on fans or radiators. You can also mount a Tube 100 on a 120mm fan with this adapter! You can also position a HEATKILLER[™] Tube reservoir more flexibly on a radiator if you only have certain mounting positions accessible.

Please be aware that you will also need the Basic Mounting Kit (sold separately) to make full use of this adapter set.
