Short Description

This is the perfect compliment to finish off any case mod project by covering all your cables with expandable sleeving. Braided expandable sleeving is the ideal solution for neatly and economically bundling and protecting your computer case wires. The light, flexible sleeving installs easily and expands up to 150% to fit over plugs, inline connectors and splices. Sleeving will also reduce heat by improving airflow around critical components.

Description

Product Details:

This is the perfect compliment to finish off any case mod project by covering all your cables with expandable sleeving. Braided expandable sleeving is the ideal solution for neatly and economically bundling and protecting your computer case wires. The light, flexible sleeving installs easily and expands up to 150% to fit over plugs, inline connectors and splices. Sleeving will also reduce heat by improving airflow around critical components. Various size heatshrink tubing is also included in this kit for that neat finished look. So, no more guess work, get that professional look using this Deluxe Wire Sleeving Kit and customize your case today! If you want a bit more flair, buy two kits of contrasting colors, and WOW all your friends with your latest creation!

Kit Contents:

- 10' - 1/8" sleeving
- 10' - 1/4" sleeving
- 5' - 3/8" sleeving
