\$9.50

## Product Images

## Short Description

This Akasa Omni-Directional Tri-Band Wi-Fi Antenna Utilise and extend the Wi-Fi and Bluetooth functionality of your NUC whilst installed inside an Akasa fanless case.

## Description

---

This Akasa Omni-Directional Tri-Band Wi-Fi Antenna Utilise and extend the Wi-Fi and Bluetooth functionality of your NUC whilst installed inside an Akasa fanless case.

## Features

---

- Compliant with IEEE 802.11 a/b/g/ac/ad Wi-Fi standards
- RP-SMA male connector
- 2 dBi signal gain
- Easy installation

## Specifications

---

Frequency range	2.4/5.2/5.8 GHz
Impedance	50 $\Omega$
Gain	2 dBi
VSWR	$\leq 2$
Polarisation	Vertical
Dimensions	108 mm
Weight	9 g
Operating temperature	-20 °C - +65 °C
Length	87 mm
Product code	A-ATN01-BK

## Additional Information

---

Brand	Akasa
SKU	A-ATN01-BK
Weight	5.0000
Color	Black
Case Accessory Type	Antenna
