Short Description

Product Details:

SilverStone's popular SFF enclosure, the SG01 Evolution is now available with side windows for computer enthusiasts that love to show off their assembled system. The new windows are precision crafted from high quality acrylic and slightly beveled on the edges to accentuate SG01's classy lines. Smartly positioned venting holes on the windows ensure the case's cooling is maintained at levels to the original SG01 Design. The black colored version of SG01-W receives special black interior treatment to make it further stand out when show-casing the system through its windows.

Features:

- Cleanly styled aluminum front panel and body
- Enhanced cooling layout for high performance
- Dual 5.25" and 3.5" drive bays
- Micro ATX motherboard & ATX PSU compatible
- Full size expansion slots
- Extra large acrylic side windows
