Description

The Bykski Rigid 12mm ID x 16mm OD Fitting w/ Addressable RGB (RBW) is used for 12mm inner diameter x 16mm outside diameter rigid tubing. Due to the inner and outer seal the fitting only works on 12x16 tubing. Slight variances in tube ID and OD can cause fitting not to seal properly. This fitting allows you to connect tubing to G 1/4 thread fitting ports securely. and has an integrated addressable RGB LED.

Features

- G1/4 Thread

Specifications

- Model:B-LTJT-X-16
