

Der8auer ARGB-LED-Strip - 30 cm, 15 LEDs

\$27.00

Product Images

Short Description

This has a total of 15 digitally addressable RGB LEDs , which are distributed over a length of 30 centimeters . The strip itself is in shiny black and has small white der8auer logos. At the ends there is a 3-pin RGB socket

(5VDG) and the corresponding connector, so that several *ARGB LED strips* can also be connected in series (daisy chain). The light strip is attached either magnetically or with an adhesive pad in the housing.
