Description

These stainless steel fan grills are very clean and have very smooth edges. The grills are machine stamped which means that they can be produced much cheaper which saves you money. This is a great way to personalize your case and look so much better than the standard wire grills. This grill comes with a black steel mesh backing to help keep dust out and give this grill a nice clean look.

Features

- Stainless steel machine stamped

- Smooth edges, no laser burn marks
- Black steel mesh backing
- Fit 80mm fans
