Description

Singularity Computers Universal Mounting Rails are designed for mounting our Protium Pump and Reservoir Combo Range and our Reservoir Mount Range, to a 120mm or 140mm wide radiator. All these products can be attached via the Singularity Computers Universal Back Plate which is included with them. SC Universal Mounting Rails provide vertical adjustment in increments of 15mm so that you can position your components exactly where you want them. This new version now fits both 120mm and 140mm radiators and it has extra length for more adjustment and for more components to be mounted.
