# Akasa Riser Black Pro, Vertical GPU Holder + PCIe 3.0 Riser Cable - 20cm

\$62.95

## Product Images

## Short Description

RISER BLACK PRO provides the ultimate showcase of your GPU by vertically displaying it in the PCIe slot area of your chassis. Features premium PCIe 3.0 x16 riser cable for connecting your GPU to the PCIe slot on your motherboard and a sturdy metal holder for your GPU.

## Description

---

RISER BLACK PRO provides the ultimate showcase of your GPU by vertically displaying it in the PCIe slot area of your chassis. Features premium PCIe 3.0 x16 riser cable for connecting your GPU to the PCIe slot on your motherboard and a sturdy metal holder for your GPU.

## Features

---

### Sturdy Metal GPU Holder

Holder is made of high-quality metal structure to maintain rigidity, ensuring the ultimate showcase of your GPU is provided. GPU is displayed vertically at the PCIe slot area, fitting into your mid or full tower chassis.

### Easy Installation and Discrete Aesthetics

Easy to install over several PCIe slots. Coating in black for a discrete look, giving full attention to your showcased GPU.

### Premium Riser Cable for High-end Graphics Cards

90° connector on riser cable PCB with premium quality solder points & gold plated contacts ensures GPU & PCIe motherboard plug-in connections are reliable and durable with no signal loss.

### Powerful EMI Shielding and High-speed Bandwidth

EMI shielding eliminates interference and performance degradation during transmission to ensure a stable connection with no performance loss at the full PCIe 3.0x16 bandwidth, to support even the most demanding gaming systems.

### Easy Cable Management

Super-thin, 5-wire banded ribbon design in 200mm length provides a clean look for easy cable management.

## Specifications

---

Application	Vertical GPU Holder with Premium PCIe 3.0 Riser Cable
Length	200mm
Colour	Black
Bracket	For GPU Holder

Connector 90° PCIe 3.0  
x16 Female to  
180° PCIe 3.0  
x16 Male

Product code AK-CBPE02-20B

## Additional Information

---

Brand	Akasa
SKU	AK-CBPE02-20B
Weight	0.2500
Color	Black
Cable Type	PCI-E 16X Riser Ribbon Extender
Length	30cm
