# PPCS HEADPHONE & MICROPHONE 1/8 - PANEL F TO 2X5 F - 2.5ft.

\$12.50

# **Product Images**

# **Short Description**

This panel mount cable fits headphone and microphone ports to custom panel. Connects to Intel standard AC97 audio header/pinout. Plugging of headphone on custom panel disconnects the motherboard's speaker socket located at the back of computer system. For HD (high definition) audio header, normally it's backward compatible with AC97 audio, please check your mother-board manual to confirm.
