

Delta 60x60x25mm Ultra High Speed Fan AFB0612HH-R00

\$8.95

Product Images

Short Description

The Delta AFB0612HH-R00 gives you the Fan Failure Monitoring function at a small foot print of 60 x 60 x 25.4mm. It is very useful when you have an enclosed computer system and you can not visually monitor for fan failure. Air flow is 22.95 CFM, or 0.65 cubic meter per minute. Life expectance is 70,000 hours (or almost 24 years if you operate the fan 8 hours a day).

Description

The Delta AFB0612HH-R00 gives you the Fan Failure Monitoring function at a small foot print of 60 x 60 x 25.4mm. It is very useful when you have an enclosed computer system and you can not visually monitor for fan failure. Air flow is 22.95 CFM, or 0.65 cubic meter per minute. Life expectance is 70,000 hours (or almost 24 years if you operate the fan 8 hours a day) at 40 Degree C with 15 - 65% RH, all thanks for industrial grade materials plus top notched, high quality dual ball bearing. Suitable applications include but are not limited to home media computer systems, ITX or low profile desktop computing systems, media entertainment systems, or low profile industrial rack mount systems. Operating temperature is -10 - +70 Degree C with 5 - 90% RH. You can have peace of mind with this cooling fan when you know when and if the fan fails to operate - which is not likely happen for years to come given its industrial grade quality, you can be informed easily and immediately.

This fan has 3 wires lead with Fan Failure sensor output and a standard 3 pin fan connector so you can plug it to a 3 pin fan header on most computer motherboards. Or you can power it by a common computer power supply with a 3 pin to Molex 4 pin cable adapter (sold separately) but you will lose the fan failure monitoring functionality.

Specifications

- Type: Case Fan
- Compatibility: Case
- Fan Size: 60mm
- Bearing Type: Dual Ball
- RPM: 5000 RPM
- Air Flow: 22.95 CFM
- Noise Level: 33 dBA
- Power Connector: 3 Pin
- Color: Black

Additional Information

Brand	Delta Electronics
SKU	AFB0612HH-R00
Weight	0.2500
Color	Black
Fan Dimensions	60mm
Fan Width	25mm
Fan Connection	3-Pin
Fan Voltage	12 VDC
Fan RPM	5000
Fan CFM	27
Fan Noise (dB)	40
