

Bitspower Creator Rainbolt Tube Deluxe Kit 500M V2

\$74.95

Product Images

Short Description

The Bitspower Rainbolt tube is the accessory to have in your custom water-cooling loop if you want to make your PC stand out without being too flashy. The kit includes a 12mm clear acrylic water tube to run your liquid through, a 19mm cloudy white PETG tube to sleeve over your water tube, where you'll be able to wedge in the (up to) 500mm long Digital LED strip. The whole is completed with specifically designed silver fittings by Bitspower that ensures the assembly is secured and simple. The Bitspower Rainbolt tube will provide a nice wholesome lightning effect to your PC without blinding its user.

Description

Bitspower Creator Rainbolt Tube Deluxe Kit 500M

The Bitspower Rainbolt tube is the accessory to have in your custom water-cooling loop if you want to make your PC stand out without being too flashy. The kit includes a 12mm clear acrylic water tube to run your liquid through, a 19mm cloudy white PETG tube to sleeve over your water tube, where you'll be able to wedge in the (up to) 500mm long Digital LED strip. The whole is completed with specifically designed silver fittings by Bitspower that ensures the assembly is secured and simple. The Bitspower Rainbolt tube will provide a nice wholesome lightning effect to your PC without blinding its user.

Bitspower Digital RGB means you have addressable control of the RGB LED strip to give your PC a special light effect. In addition, Bitspower Rainbolt tube LED strip is certified by ASUS AURA Sync, GIGABYTE RGB Fusion, MSI Mystic Light Sync, ASRock Polychrome, Biostar VIVID LED DJ and Razer Chroma.

I wanna show off, but what's the support I'd need?

◆DRGB

The end of power supply is 3PIN. The sequence is +/D/↓ (some motherboards are shown +5V/D/↓, and the plug is like 4PIN but the 3rd PIN is empty). Please plug in the corresponding direction of motherboard, controller or the wire integrator for one to many. If choosing the motherboard as the power supply, the light effect can be synchronize with MB.
