Product Images

Short Description

This Akasa USB Type-C to Dual HDMI MST Adapter Maximizes your productivity by connecting two 4K HDMI displays to your USB Type-C enabled computer from this single MST adapter.

Description

This Akasa USB Type-C to Dual HDMI MST Adapter Maximizes your productivity by connecting two 4K HDMI displays to your USB Type-C enabled computer from this single MST adapter.

Features

- Minimal Effort
Supports plug & play. Utilises Multi-Stream Transport technology to deliver Ultra High-Definition resolutions to two HDMI displays
- Improve Productivity with Vivid Clarity
Make multi-tasking easy, whilst enjoying 4K at 30Hz on two displays simultaneously from a single USB Type-C port on your computer
- Wide Compatibility
Compatible with the latest USB Type-C Mac and Windows computers. For Mac OS, the external monitors may show the same images at Extend Mode.
- Designed to Last
Premium aluminium housing for added heat dissipation with sleek, anodised exterior finish.
- Included carrying pouch protects adapter from dust and scratches
