Clockwerk Industries Rake cable combs now in a more affordable acrylic version!

These easy to use combs tidy up your cable management without the need to de pin your cables. Simply snap the comb over the cables and your done! They provide a clean closed comb look but can be removed easily. These combs are made from a high-quality sheet of acrylic and then laser cut to precision. Furthermore, more time is consumed to laser polish the edges of the comb to give a smooth glass-like appearance. Made 100% right here in the U.S.A. for unmatched quality.

One comb per single quantity.
