Short Description

Form and functionality collide with style in the NexStar 3 External Hard Drive Enclosure from Vantec.

Description

Product Details:

Form and functionality collide with style in the NexStar 3 External Hard Drive Enclosure from Vantec. With its mirror finish, sleek curves and bold colors, the Vantec NexStar 3 stands out from the crowd. The sturdy drive cage protects your hard drive while the aluminum case effectively draws away the heat, protecting your drive from overheating. Now with SATA connections you are able to get a 3GBPS transfer rate or The NexStar 3 also utilizes USB 2.0, offering speeds up to 480Mbps, 40 times the speed of USB 1.1! But if you are using USB 1.1, the NexStar 3 is still an ideal way to store and transfer large amounts of data. Available in 4 vivid colors (Steel Grey, Onyx Black, Brilliant Red and Midnight Blue), the NexStar 3 lets you store your personal data in an enclosure that matches your style!
