

XG Ninja II Gaming Midtower Case - Blue

\$59.95

Product Images

Short Description

Combining functionality and radical case design with affordability, the new Ninja 2 offers a lightweight case design with heavyweight features for the extreme gamer. The front of the case features a chrome silver panel with a Ninja emblem lit by LED lights. The Ninja also features a mesh window on the side of the case that allows gamers to proudly display the power beneath the case including an 80mm fan port giving the machine maximum cooling.

Description

XGs Incomparable Ninja Computer Case.

Combining functionality and radical case design with affordability, the new Ninja 2 offers a lightweight case design with heavyweight features for the extreme gamer. The front of the case features a chrome silver panel with a Ninja emblem lit by LED lights. The Ninja also features a mesh window on the side of the case that allows gamers to proudly display the power beneath the case including an 80mm fan port giving the machine maximum cooling. For added flexibility, the front chassis of the Ninja includes a 5.25 port for quick access to the most important drive bay without having to open its door. The Ninja also provides dual USB 2.0, and ATX and micro-ATX compatibility. The Ninja offers the most value and functionality at a fraction of the cost of more expensive cases.
