

TechN CPU Waterblock Intel LGA 2066 / 2011 - Elox Silver

\$118.95

Product Images

Short Description

The TechN CPU waterblock for Intel's LGA 2066 and 2011 is a premium class cooler. Highest precision in production ensures an unmatched performance, a seamless design and a luxurious feel. Literally the "star" in our lineup: With its thoughtful geometry and high-quality material selection the TechN CPU cooler for Intel LGA 2066 achieves an unsurpassed cooling capacity.

Description

The TechN CPU waterblock for Intel's LGA 2066 and 2011 is a premium class cooler. Highest precision in production ensures an unmatched performance, a seamless design and a luxurious feel. Literally the "star" in our lineup.

With its thoughtful geometry and high-quality material selection the TechN CPU cooler for Intel LGA 2066 achieves an unsurpassed cooling capacity.

Only the best for your hardware:

- Sandwich-Design:
Electroless nickel-plated cold plate and

- anodized aluminium frame enclose Plexiglas®
- Seamless:
 - Minimum gap dimensions
 - Recessed springs, premium backplate
- Mounting:
 - Uncomplicated, safe and easy
- Performance:
 - Best-in-class cooling capacity
 - Optimized for Ryzen™ 3000 series
- Engineering:
 - Optimal contact pressure
 - Curvature for CPU-heatmap
 - Finest fin geometry

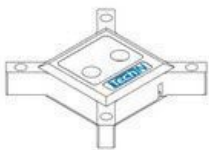

Features

The water block comes with a 4-pin 12V RGB LED strip which is compatible with all major motherboard manufacturers.

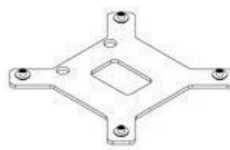

Included:

- TN CPU Waterblock Intel LGA 2066
- Thermal Interface Material: Thermal Compound – Arctic MX-2 0,75g & Pre-applied thermal PADS
- Sealing plugs G1/4" BSPP for unused threads
- Mounting accessories
- Installation Manual

Fittings are not included

Water block with G1/4" connector

Backplate

4 mounting screws

Hex Key

User manual

4 springs

Thermal paste

Specifications

Specifications

- Material: copper (nickel plated), acrylic, aluminium
- Dimensions: (LxWxH) : 110mm-4.33" x 74mm-2,91" x 20mm-0,78"
- Weight: approx. 340g-11,99oz (without packaging)
- Sealing: EPDM 70 (max 120°)
- Threads: 4x G1/4" (DIN ISO 228-1)
- Leak Tested 1.5 bar – 21.75 PSI (water pressure in your system max 0,5 bar)
- Compatible to: Sockets Intel LGA 2066/2011

Additional Information

Brand	TechN
SKU	TN-00000268
Weight	1.5000
Color	Silver
CPU Series	Intel 2011/2011-3/2066
Block CPU Type	Intel
Block Style	Nickel-Plexi
Vendor SKU/EAN	4260491552051
