\$59.99

Product Images

Short Description

The CORSAIR Premium PCIe 3.0 x16 Extension Cable 300mm lets you get a new view on your GPU, making vertical mounting in compatible cases easy.

Description

The CORSAIR Premium PCIe 3.0 x16 Extension Cable 300mm lets you get a new view on your GPU, making vertical mounting in compatible cases easy.

Features

FULL-SPEED PCIe 3.0 x16 BANDWIDTH

Deliver all the performance of PCIe 3.0 to your GPU, without compromise.

EXTENDED & ANGLED

A generous 300mm of cable length and a 90° female PCIe connector minimizes cable strain making it easy to install your GPU vertically in compatible cases.

EMI SHIELDED

Electromagnetic interference (EMI) shielding ensures maximum performance.

FULLY FLEXIBLE

Five-wire banded construction allows for full flexibility to reach through even the tightest gaps.
