Short Description

This CL-CAB31038 6 feet HDMI 1.4 cable provides high speed high resolution video/audio. It also includes a bidirectional Ethernet connection (HEC) for connecting your devices to a network.

Description

This CL-CAB31038 6 feet HDMI 1.4 cable provides high speed high resolution video/audio. It also includes a bidirectional Ethernet connection (HEC) for connecting your devices to a network. The flat black sheet is great for hiding the cable by running it under the carpet, or around a baseboard. Gold plated connector ensures a high quality long lasting connection and picture quality.
