Logitech G300S 9 Buttons 1 x Wheel USB Wired Optical 2500 dpi Gaming Mouse

\$39.99

Short Description

The Logitech G300S Optical Gaming Mouse affords power and control in a sculpted, ambidextrous form factor. You can either use the default settings, or program its nine buttons using optional software.

Description

The Logitech G300S Optical Gaming Mouse affords power and control in a sculpted, ambidextrous form factor. You can either use the default settings, or program its nine buttons using optional software. Notable features of the G300S include user configurable lighting, onboard memory profiles, and one-the-fly dpi switching. Additionally, its low-friction feet are designed to eliminate friction on nearly any surface.

Features

- Nine programmable controls: Move keyboard commands to mouse buttons that are in easy reach
- Symmetrical compact shape: Feels comfortable in either hand and perfect for gamers who don't want a large mouse
- Gaming-grade optical sensor: Tracks accurately on a wide variety of surfaces and is tunable to achieve the responsiveness you need
- Three onboard memory profiles: Save profiles to the mouse once for gameplay on different computers and assign lighting colors to easily see which profile you're using. Logitech Gaming Software is available at logitech.com/downloads
