Short Description

Logitech Wireless Trackball Mouse: Enjoy precision control with this wireless Logitech MX ERGO Plus trackball mouse.

Description

Logitech Wireless Trackball Mouse: Enjoy precision control with this wireless Logitech MX ERGO Plus trackball mouse. The adjustable hinge lets you customize this accessory for optimal hand comfort, and Logitech FLOW capability ensures smooth control over multiple computers at once. This Logitech MX ERGO Plus trackball mouse has a rechargeable battery with a four-month battery life to maintain consistent performance.

Features

Features

Trackball mouse with reliable optical tracking

Trackball mice require less wrist movement than traditional mice, since they track the motion of the built-in ball instead of the movement of the entire mouse.

Logitech advanced 2.4 GHz wireless connection

Wirelessly connects to the included Unifying nano-receiver, which plugs into your computer's USB port and works across an array of Unifying-compatible wireless devices.

Eight-button mouse design

Features a scroll wheel and eight buttons.

Four-direction scroll wheel

Scroll wheel can be used to scroll both vertically and horizontally.

Compatible with most Windows and Mac computers

Works across a wide array of computers.

Specifications
