Short Description

Self-Adjusting insulation pliers with recessed wire cutter.

Description

Self-Adjusting insulation pliers with recessed wire cutter. With clamping jaws made steel to hold the cable the way that prevents slipping without damaging the remaining insulation

Techstable

Description

- > Stripping without re-adjustment from 0.03 to 10.0 mm²
- > Universal blade geometry -robust and more durable
- > Ideal grip design with excellent haptic
- > Recessed wire cutter
- > Fully automatic adjustment to all single-, multi- and fine stranded conductors with PVC insulation and a number of special insulation throughout the entire capacity range from 0.03 to 10 mm²
- > No manual fine adjustment necessary, no damage to the conductors
- > The clamping jaws made of steel hold the cable in a way that prevents slipping without damaging the remaining insulation
- > With recessed wire cutter for copper and aluminium conductors, multi-stranded up to 10 mm² and single-stranded up to 6 mm²
- > Particularly smooth-running mechanics and very low weight
- > length stop
- > Body: plastic, fibreglass-reinforced
- > Blade: special tool steel, oil-hardened

Wire cutter for multiple stranded wire cables up to 10 mm²

Steel clamping jaws avoid skidding of the cable

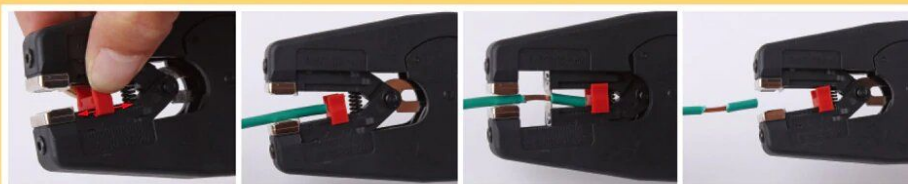

Precise stripping from 0.03 to 10 mm² without readjustment

Applications

1. Stripping

- Stripping length adjustment: Pinch the positioning card with two fingers, corresponding to the scale below the front and back to move to the appropriate location.
- Place the wire into the jaws and tip up to the location card.
- Stripping can be done with a single application of light pressure.
- Release the handle and take out the lead.

2. Trimming

A. Place the wire in the cutting line, Wire inward as far as possible.

B. The small handle can be used to cut the thread.

Note: When stripping or cutting wires, do not put your fingers between the two handles.

Features

Universal blade geometry

Robust and durable

Recessed wire cutter

Specifications

Package Contents:

1x wire cutter

Body: plastic, fibreglass-reinforced

Blade: special tool steel, oil-hardened

Additional Information

Brand	AE
SKU	AE-FS-D3-B
Weight	1.1000
Color	Clear
Tool Type	Technicians Tools
Material	ABS
