Description

The HYCHIKA cordless screw driver has 2.0Ah battery and is rechargeable via USB.

Features

Features: Max torque 6 N·m: The maximum output torque is 6 N·m and is suitable for screwing and drilling in households. With plus and minus switch for easy installation and removal of screws. Quick charging with USB cable: DC Charger can help us charge directly. Higher Quality 2000mAh Battery means longer lifetime and unbeatable battery run time. Micro-USB connection enables fast loading without time and place limitations. 36pcs accessories: Comes with 36pcs accessories, 1pc ratchet wrench, 1pc extension Rod(60mm), 1pc socket connector, 5pcs socket connectors including 5/32, 3/16, 1/4, 9/32, 5/16, 22pcs driver bits including SL2/3/4, TH8/9/10/15/20/25, H2/3/4/5/6, SQ0/1/2/3, PZ2/3, PH2/3(25mm), 5pcs driver bits including PH0/1, PZ0/1, SL5(50mm), 1pc drill bit(1/4). Quick-release chuck and reversible operation: Quick release chuck, unlike a magnetic one, holds the bits firmly and facilitates the easy change of bits in the middle of a job so you don't worry about them falling out. Also the screwdriver is reversible, so you can use it for both screw tightening and loosening.
