

Short Description

Set up your new build in the ASUS TUF Gaming GT501 Mid-Tower Case. Featuring a durable steel frame, it also has a tempered glass side panel, so users can show off their hardware. Inside is enough room to fit up to an EATX motherboard with plenty of space left for multiple storage drives, PCIe cards, and fans for cooling.

Description

Set up your new build in the ASUS TUF Gaming GT501 Mid-Tower Case. Featuring a durable steel frame, it also has a tempered glass side panel, so users can show off their hardware. Inside is enough room to fit up to an EATX motherboard with plenty of space left for multiple storage drives, PCIe cards, and fans for cooling. Three of the pre-installed fans have integrated RGB lighting, which users can customize for a unified theme with the ASUS Aura RGB software. For your convenience, the GT501 even has top carrying handles for easier transportation.

ASUS Aura RGB Lighting

The three pre-installed front fans feature customizable RGB lighting. Users can download the accompanying ASUS software to choose from a variety of colors and lighting effects to suit their style.

Top Handles

The top of the chassis is outfitted with two carrying handles for easy transportation.

Optimized Cooling

A total of seven fan mounting locations offers plenty of cooling. It also supports water cooling setups if desired.

Vertical GPU

The two additional PCIe slots enable users to mount their GPU vertically for a better view; however, please note a separately sold riser cable is required.

Additional Features

- 30mm cable-management space
- Removable PSU shroud
- Cable grommet and hook-and-loop fasteners for cable routing
- Bottom mounting points for water-pump bracket
- Removable lid for water-cooling reservoir

Specifications

Brand	ASUS
Series	TUF Gaming
Model	GT501
Details	
Type	ATX Mid Tower
Color	Black / Grey
Case Material	Steel / Plastic / Tempered Glass
With Power Supply	No

Power Supply Mounted	Bottom
Motherboard Compatibility	Micro ATX / ATX / Mini ITX / E-ATX (12"x10.9")
Side Panel Window	Yes
LED	RGB

Expansion

Internal 3.5" Drive Bays	4 x 2.5"/3.5" Combo Bay
Internal 2.5" Drive Bays	3 (up to 7)
Expansion Slots	7+2 (additional vertical)

Front Panel Ports
