Short Description

Product Details:

With more SilverStone adjustable fans now more popular than ever among enthusiasts, the release of FP33 should provide even greater user experience. Designed to fit into a 3.5" drive bay or in the expansion slot, the FP33 has three independent fan controllers to help adjust fan speeds at any combination desired in a system. As with all SilverStone products, the finish on the front panel and the knobs are of usual high class treatment, making it a top choice for anyone looking to gain more control of their system fans.

Features:

- Three independent fan controllers
- Compatible with all SilverStone "FM" series fans
- Compatible with all 3pin fans
- All aluminum enclosure for 3.5" drive bay
- Included optional expansion slot cover for rear mounting

Specifications:
