\$9.99

Product Images

Short Description

Are big, bulky power adapters creating unsightly gaps between your walls and furniture? The 6' long Flat Plug Liberator extension cord lets you move your power adapters off the wall and down onto the floor.

Description

Are big, bulky power adapters creating unsightly gaps between your walls and furniture? The 6' long Flat Plug Liberator extension cord lets you move your power adapters off the wall and down onto the floor. They have a flat plug with a unique right-angle design that minimizes the space required at wall outlets.

Great for use with entertainment centers, desks, furniture and more!
Flat plug requires minimal space
