Description

MH752

Comfort, Redefined

The MH752 Gaming Headset features premium quality sound with unprecedented comfort, ideal for those long battle royales. 40mm Neodymium drivers with virtual 7.1 surround sound offer the situational awareness needed to hear footsteps and chests, while plush, lightweight ear cups provide a fit so comfortable, your pillow feels like bricks in comparison.

Features

Unprecedented Comfort

Plush cushioning, leatherette padding, and swiveling cups result in a new level of comfort.

Mult-Platform Compatability

Choose between 3.5mm or USB to connect to PCs, consoles, and most mobile devices.

Virtual 7.1 Surround Sound

USB sound card enables an expanded soundstage for situational awareness ideal for those seeking a victory royale.

Premium Sound Quality

40mm Neodymium drivers create a fuller, more balanced soundstage for all gamers.

Crazy Good Communications

Omni-directional boom mic keeps your communications crystal clear while simultaneously reducing any background.

Timeless Good Looks

No flashy lights or bizarre tribal logos - sleek, pitch-black styling keeps it classy.
