# Cooler Master MasterBox Lite 3.1 TG Micro ATX Tower w/ Front Dark Mirror Panel, 3 Customize Color Trims

\$49.99

## Short Description

The MasterBox Lite 3.1 TG mATX Case is your straightforward option for your PC build that doesn't ignore good looks, customization, or performance. A sleek DarkMirror front panel and three custom trim colors (included in the box) offer a great first entry point for customization. Additionally, it comes with a 4mm thick edge to edge Tempered Glass Side Panel to show your internal components. And with support for up to 3 cooling fans and a watercooling system, we ensure your performance will not suffer.

# Description

---

## MasterBox Lite 3.1 TG

Choose Your Style

The MasterBox Lite 3.1 TG mATX Case is your straightforward option for your PC build that doesn't ignore good looks, customization, or performance. A sleek DarkMirror front panel and three custom trim colors (included in the box) offer a great first entry point for customization. Additionally, it comes with a 4mm thick edge to edge Tempered Glass Side Panel to show your internal components. And with support for up to 3 cooling fans and a watercooling system, we ensure your performance will not suffer.

## Features

---

- Dark Mirror front panel : Stand out and be unique; Your case doesn't have to look boring
- Customizable trim colors : Choose from 3 distinct colors to suit your style, all included in the box
- 4 millimeter thick edge to edge Tempered glass side panel : Show off your build in style, and have easy access to your components in case things go haywire
- Support for 3 fans & water cooling : 3 120 millimeter fans and front water cooling support ensure that you don't have to compromise on performance
- Graphics card support up to 380 millimeter : You won't ever have to worry about the fit of your graphics card, with support for even the largest, widest cards
