\$99.99

Product Images

Short Description

MSI VIGOR GK50's low profile mechanical switches provide speed, accuracy, and endurance. Ergonomic high-low keycap design keeps your hands and wrists in a comfortable and natural position that reduces strain and pain.

Description

MSI VIGOR GK50's low profile mechanical switches provide speed, accuracy, and endurance. Ergonomic high-low keycap design keeps your hands and wrists in a comfortable and natural position that reduces strain and pain.

Features

ERGONOMIC DESIGN

The keyboard with ergonomic high-low keycap design keeps your hands and wrists in a comfortable and natural position that reduces strain and pain while typing or gaming for a long period.

SLIM AND LIGHTWEIGHT

Slim and lightweight design completes the stylish appearance of the VIGOR GK50 LOW PROFILE gaming keyboard.

HOTKEYS FOR RAPID CONTROL

Convenient lighting hotkeys allow you to change speed, direction, or mode with ease. At the top are hotkeys for volume adjustment, media controls, and Afterburner activation*.

*Download Afterburner software first
