Description

Fractal Design Dynamic X2 GP14

Aerodynamic technology. Cool design.

The Fractal Design Dynamic X2 series are true all-purpose fans, offering excellent airflow and outstanding 100,000-hour life expectancy thanks to the new LLS (Long Life Sleeve) bearing.

Available in multiple colors including black, white, and the classic Fractal Design white-on-black combination, the Dynamic X2 series are the perfect choice for those seeking an expertly balanced fan with exceptional dependability.

Features

- High-grade LLS bearing for long-lasting dependability
- Counter-balanced magnet reduces axial tension on the bearing
- Optimized fan geometry balances airflow and static pressure
