Short Description

Maximize the precision of your high-DPI optical or laser mouse with this Corsair MM300 gaming mouse mat,

Description

Maximize the precision of your high-DPI optical or laser mouse with this Corsair MM300 gaming mouse mat, which features a textile-weave surface that enables pixel-precise targeting and precision tracking for lethal control as you game the night away.

## Features

---

Designed for high-DPI optical and laser mice  
For accuracy and precision with your gaming mouse.

Textile-weave surface  
Enables pixel-precise targeting and low-friction tracking.

Antiskid rubber base  
Stays firmly in place.

Reinforced stitched edges  
Help prevent the surface from peeling for durability.

Extended size  
Lets you set your keyboard and mouse on the mat.
