\$1.99

Product Images

Short Description

SNAP-CAPS® provide an secure seal and can help protect the fastener head while preventing rust and corrosion.

Description

SNAP-CAPS® provide an secure seal and can help protect the fastener head while preventing rust and corrosion. 8/8 SNAP-CAPS® Screw Covers have an outside diameter of 1/2" and work with screw sizes from #6 and #8 screws (and metric sizes M3 and M4). 

SNAP-CAPS® are comprised of a cap and base washer. The screw is secured into the base washer and the cap "snaps" on.

*** Sold in packs of 10 cap/washer sets ***
