Short Description

Easily leverage the speeds and portability of M.2 SSD as an ultra-fast external USB flash drive in a solid enclosure with vibrant RGB. Designed for common M.2 SSDs and sizes.

Description

Premium Aluminum Design with RGB

Superior build quality provided by an aluminum shell design which ensures durability and premium. Coupled with an in-built fan with vibrant RGB to add extra flare to the enclosure.

Incredible Transmission Speed

Super-speed USB 3.2 Gen 2 connection enables data transfer at 10 gigabits per second, up to 20 times faster than USB 2.0!

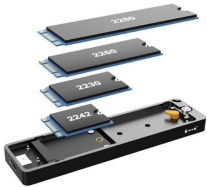

Designed for Common Sized M.2 Drives

Supports either M.2 PCIe (NVMe) or M.2 SATA SSDs

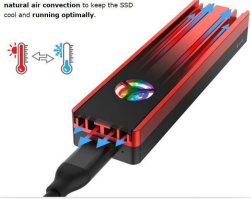

Fits the most common sizes of M.2 Solid State Drives in the market including 30mm (2280), 60mm (2260), 42mm (2242), 30mm (2230)

Maximum Heat Dissipation

Built-in fan improves and maximises natural air convection to keep the SSD cool and running optimally.

Array of Applications

- Expand the storage capabilities of your Gaming Console with a fast and portable hard drive
- Connect external M.2 SSD drive to a portable drive
- Back up Pictures and Videos on the go!

User-friendly Design

Tool-free design enables quick and easy installation of M.2 SSDs
