

# Lian-Li PCI-e 4.0 X16 Riser cable

\$55.99

## Product Images

## Short Description

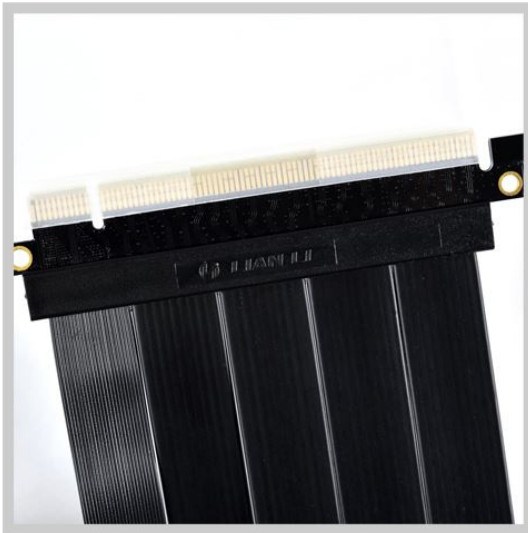

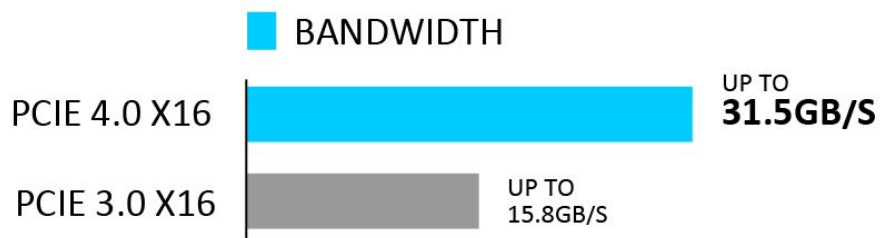

The latest PCIe 4.0 supports transfer rates of 16GT/s bit rate.

## Description

---

The latest PCIe 4.0 supports transfer rates of 16GT/s bit rate. While providing double the bandwidth of PCIe 3.0, the Gen 4.0 riser cable remains backward compatible with a maximum transfer speed, offers great performance, and shows off the GPU at a great new angle.

**Support : O11D MINI, O11D, O11D XL**

## Specifications

---

### SPECIFICATIONS

Model	PW-PCI-420
Color	Black
PCIe Riser Cable	Gen 4.0
Cable Length	200mm
Warranty	1 year

## Additional Information

---

Brand	Lian-Li
SKU	PW-PCI-420
Weight	2.0000
Color	Black
Cable Type	PCI-E 16X Riser Ribbon Extender
Length	200mm
